Dear Parent/Carer

Change in guidance for critical workers

Firstly, I would like to begin by thanking you for your support and patience as we have implemented our online learning. The vast majority of children are accessing this and that is wonderful to see.

On Friday evening the government changed the criteria for critical workers and as the infection rates continue to rise I wanted to share this with you in order to protect our children and staff.

The guidance now states that parents and carers who are critical workers should keep their children at home if they can. Therefore, we ask that if you have an adult at home that can safely supervise your child or you are not out of the house working, please keep your child at home. This will allow us to keep the numbers of children in school to a minimum and help us to further protect those children who have no other choice but to be in school. Please remember that our care is a last resort.

All places for care **must** be booked in advance. Please email hilderthorpe.primary@eastriding.gov.uk by Thursday at 5pm. We cannot accept children that have not been booked in. Please do not turn up at school without a booking.

Our food parcels are in place for all families that are eligible for free school meals. If you are eligible, but did not book for a food parcel then please contact the school office and we will add you on to our booking list. In addition, if any family should find themselves struggling at this time please contact school and we will do all we can to help.

If you need us at this time please do not hesitate to get in touch.

Kind regards.

Mrs S Hall
