Dear Parents/Carers

At the end of Friday we were informed by the East Riding Of Yorkshire Children's Services Team that as a precautionary measure, in order to help keep our communities safe and following the latest Public Health data, that all staff in primary schools in the East Riding should wear face coverings at all times except when in the classroom or when eating and drinking. The local authority have also announced this on social media. Please can I ask all parents and carers who have to come into the school building to wear a face covering at all times unless they have a medical exemption please.

We have explained this change to the children and assured them that when we are moving around the building with our face coverings on we are all still smiling underneath them! My hedgehog mask certainly appealed to our younger children today and made them smile.

Many thanks for your continued support in following our one way system and new protocols. I appreciate there are many changes for us all to adapt to at this time and your support has been greatly appreciated by the whole Hilderthorpe team.

Sarah Hall

Headteacher
