Head Teacher: Mrs S Hall

Tuesday 16<sup>th</sup> March

Dear Parents/Carers

## **Parents' Evenings - Week commencing 22<sup>nd</sup> March 2021**

Due to the current restrictions, all parents' evenings will take place on the telephone just the same as our last parents' evening.

You can book your telephone appointment on our online booking system, which will be text to you all. Each appointment will be 10 minutes as normal and the class teacher will telephone you. This will be an opportunity to discuss how your child has settled back into school and their progress. Timings for these appointments have been spread out across evenings and days. This has been necessary due to the number of phone lines in school.

Please look at our online system to see the timings for each class. You will need to scroll down through the days to see all available appointments. We are aware that some appointments closely coincide with our collection and drop off times. These may be useful for some parents to use if you have alternative arrangements for drop off and collection for your children. However, if you require an appointment and none are available that you can access due to these timings, or for any other exceptional circumstances, then please contact the office and an alternative time will happily be arranged for you.

If you have any problem accessing our system please do not hesitate to contact us and we will happily help and assist. This is only the second time that we have used the rather complex booking system, so we remain hopeful that this runs without technical hitches! Thank you for your patience in advance – just in case...

Kind regards.

Mrs Hall and Mrs Bolton
