Dear Parent/Carer

Tutoring Programme

Due to the recent lock down situation the government has announced £1 billion of funding to support children and young people to catch up lost time after school closure. As part of this your child has been selected for additional tutoring within the school day.

This is a wonderful opportunity for your child to work on specific targets that have been set by the class teacher and will be delivered remotely by qualified teachers.

Please read the attached document that explains the information that we share with the National Tutoring Programme and how it is used.

If you have any questions please contact your child's class teacher who will be happy to help.

Yours sincerely

Mrs J Grant
Deputy Headteacher
