Dear Parent/Carers

Following the reinstatement of the Government's national voucher scheme for free school meals, we will be moving back to providing our free school meal provision, for those children who are not attending school through the national voucher scheme.

These will be released from Monday 25<sup>th</sup> January for you to redeem for the voucher of your choice. The vouchers will be sent to the e-mail you have provided for your child's school record. The amount represents the value of £3 per day per child for when your child is not attending school. The voucher value allocated to you covers the three weeks up to February half term. If your child is attending school then your child will be accessing a hot meal in school.

Our temporary lockdown school lunch menu can be accessed here:
