Dear Parent/Carer

I would like to take this opportunity to wish you all a wonderful Easter Holiday. This term has certainly given us some challenges to overcome, but the strength and commitment of our whole community has got us through.

Having the children back has lifted the spirits and morale of us all! Listening to learning and laughter is the sound we are once again blessed to hear each day. The children have done you all proud with how they have settled back to routines and been keen to show off their 'lockdown learning'.

My thanks must go to the whole staff team for their work this term. Every single person in the team carries out an extremely important role in ensuring our school offers the best possible learning environment and ensures it is a safe place for us all to be. The rapid pace of shifting roles with remote learning platforms; additional cleaning on an unprecedented scale and bubble working has been met by the whole team with determination, positivity and unwavering commitment to the children in our care.

Next term we look forward to having fun in our curriculum and will be sharing events we have planned as we work through the term. To enable some year groups to participate in additional swimming opportunities and gymnastics next term we have had to make slight amendments to the start and end times for Year 5 and Year 6. Listed below is a reminder of the timetable for all classes and the new timings for Year 5 and 6. Please note the date for children to return after the Easter holiday is **Tuesday 13th April**.

Lastly, I would like to take this opportunity to say a huge thank you to all of you! Learning could not, and would not have happened without your incredible work and support at home. I know the whole team will join me in taking this opportunity to say thank you and to wish you all a wonderful Easter.

Kind regards.
