Head Teacher: Mrs S Hall

Wednesday 26<sup>th</sup> May

Dear Parents,

I wanted to take this opportunity to thank you for all your actions so far in ensuring we are working together to follow COVID guidance to safeguard our whole school community.

As the roadmap continues we are all able to do a little more with our friends and loved ones. Some of the stories from the children of families and friends reuniting have certainly been heart-warming.

In school we remain committed to our strict and stringent COVID measures to protect our bubbles. As a school setting we are not in a position to remove bubbles and our school COVID protocols. This is to ensure that staff and children are protected and to prevent any potential cases becoming wider spread. The whole team at Hilderthorpe are working tirelessly with the same cleaning and bubble regimes and for this I am incredibly grateful.

Please can I take this opportunity to ask you all to continue to help us with this work by continuing with the measures we have all followed throughout the year.

- Face masks are to be worn on site (unless exempt)
- The yellow box for collection of KS2 children should not be entered – please stand back and space out on the playground when waiting to collect your child at the end of the day
- Please ensure you socially distance when on site and follow the collection and drop off times for your child's year group
- If your child is symptomatic they must isolate and seek a PCR test. A lateral flow test should not be used if you, or your child is symptomatic. A PCR test must be used in this instance.

Thank you for your continued support with ensuring the care and protection of our staff and children.

Kind regards,

Mrs S Hall
