Head Teacher: Mrs S Hall

28th May 2021

Dear Parents,

I hope you are well and once again, we are delighted that you have chosen our school for your child to start in Reception.

We wanted to contact you with the latest and final updates for your child's transition to our Reception class in September. In our previous letter to you we planned to invite you into school for a welcome meeting and to carry out our individual home visits. To ensure the protection of our bubbles in school and to enable us to social distance effectively we will be adapting these events.

Please [click here](#) to access our welcome and information video for new starters. This will give you lots of useful information about your child starting in September and about the Early Years Foundation Stage.

Our planned information meeting on the 23rd June will now take place remotely and a link will be sent to all parents. This is an opportunity for parents to hear about our setting and to ask any questions you may have.

In the meantime we are going to ensure your child accesses small outdoor group sessions with members of staff who will be working in Red and Blue class next year. They are already very familiar with the staff and we are looking forward to seeing more of them over the last half term. Let's hope the weather begins to brighten up.

If there is anything we can assist with in the meantime, please do not hesitate to call school and ask to speak to a member of the EYFS Team with your child's name and enquiry.

Thank you and kind regards.
Mrs Hall and the Early Years Team.
