Head Teacher: Mrs S Hall

Tuesday 8th September

Dear Parent/Carer

The whole team are back in school and busily preparing for your children's return on Wednesday. We can't wait to have the children all back in and look forward to starting learning. The teachers have some lovely learning experiences planned for your children, which I know they will enjoy.

Our initial focus will be on 'getting back on track'. For this week's focus we have lovely reintegration activities planned for the children to enable them to reconnect friendships and build relationships with the staff working with them in their bubble. Our newsletters each week will include an activity linked to our theme for you to complete at home with your children, if you wish to do so.

Please remember to check our school website <https://www.hilderthorpeprimaryschool.co.uk> and our dedicated back to school page in the parents section where you can find all the information you need to help you plan for your child's return on the 9<sup>th</sup> of September. Please remember to check the timetables for timings for your children's arrival and departure times. A map of the one way system can also be found in our July letter on the website. Your child is expected to return wearing their school uniform. Information on your child's PE days will be sent home in your class newsletter.

**Important: Please inform us if your child will be walking home alone after school. Please email [hilderthorpe.SEN.primary@eastriding.gov.uk](mailto:hilderthorpe.SEN.primary@eastriding.gov.uk) or let us know by text on 07955 550176, or alternatively ring, or email the school office. If you have not informed us your child is walking home alone, we will expect you on site to collect your child from their door.**

Thank you for contacting us for breakfast club bookings. In order to attend breakfast club all places must be booked and children cannot just arrive on the day. We still have places available if you require a space. If you have requested a space then please be assured it has been allocated for your child/children.

Attendance from the start of term is once again compulsory and we will work with families to ensure that attendance at school is as high as possible. Normal attendance procedures apply: if your child is unwell please contact the school office to inform us. You can ring first thing on the morning of absence, or leave a message on our answerphone. Please give a reason for absence if leaving a message.

We can't wait to welcome you all back on **Wednesday 9th September**.

Kind regards  
Mrs S Hall  
Headteacher
