Summer Reading Challenge

The Summer Reading Challenge was designed to encourage children to keep reading and maintain their reading abilities during the school holidays, which is now more important than ever before following the academic disruption that all children have experienced over the last year. East Riding Libraries are well placed to support your students with interesting, up to date and inspiring book stock in books, eBooks and eAudiobooks, all free to borrow.

Get ready for Wild World Heroes, arriving in East Riding Libraries this summer!

Pack your binoculars and your books; we're headed for Wilderville... It's already a pretty cool place, but there are lots of things that the Wild World Heroes can do to make their town even better for the people and animals that live there. Join them for the Summer Reading Challenge 2021 and discover how you can make a difference to the environment too.

The Reading agency have teamed up with WWF for a very special nature-themed Challenge that will inspire you to stand up for the planet!

Visit your local East Riding Library to sign up for FREE and get your Wild World Heroes collector poster and stickers. It's free to join the library too, just go online to www.eastridinglibraries.co.uk or pop in to your local branch or mobile (www.eastridinglibraries.co.uk/find-a-library)

Read 6 books over the summer holidays, let us know how you've got on and receive a finisher's medal and certificate to show off to all your friends.

We can even help you find new books to read and will have some exciting themed activities on offer too. Follow @ERlibraries on Facebook and Twitter, and @eastridinglibraries on Instagram to keep up to date with our Librarians reading recommendations for books, eBooks and eAudiobooks!

Children who are members of Rainbows, Brownies, Beavers or Cubs can also use the Summer Reading Challenge experience to count towards their 'Book Lover', or 'Book Reader' badges! So don't delay; get registered, get reading and get ready to go wild this summer!
