Tuesday 17th March 2020

Dear Parents/Carers

Following last night's announcement from the government and the new guidance for households with a possible coronavirus infection we can share the following government advice:

- If you live with others and you, or one of them, have symptoms of coronavirus, then all household members must stay at home and not leave the house for 14 days. The 14 day period starts from the day when the first person in the household became ill.

The full guidance can be found at www.gov.uk/government/publications/covid-19-stay-at-home-guidance

Following the government announcement last night we are suspending all external sporting events and school visits until further notice. At this present time, we believe our priority needs to be on safeguarding the staff and children by minimising the number of large scale and out of school events, so we can continue to focus on the teaching and learning at school.

School remains open as normal. There is currently no cause for concern at the school, but we'll keep you informed of any developments. Hygiene remains our primary focus. We have a stringent cleaning schedule being adopted throughout the day across the whole school.

We will continue to keep in touch and update you as soon as we receive further information from the government. Many thanks for your continued support at this challenging time.

Kind regards,

Mrs S Hall

Headteacher
