13th March 2020

Dear Parents/Carers

Coronavirus Update

You will be aware that we have received national guidance that we have entered the 'delay stage' COVID-19 strategy. At Hilderthorpe Primary School we take the health and safety of our pupils and staff very seriously, so we are sharing guidance from Public Health England on steps you should be taking.

There is currently no cause for concern at the school, but we'll keep you informed about any developments and ensure we are keeping the school clean to prevent the spread of any virus.

Key points for school are as follows:

- Schools, as yet, will not be shutting. If this should happen in the future we will let you know more as soon as we have the information.
- Anyone who has symptoms of the Corona infection (COVID-19) should stay at home and not leave their house for 7 days from when the symptom(s) started. The stated symptoms are a new continuous cough and or, high temperature. (Please keep your child off from school in these circumstances **AND keep the school informed**).
- If you have been in contact with a confirmed case, the period of isolation is 14 days. This is because 14 days represents the potential incubation period (the time it takes for symptoms to show if you have been infected).

We are being as vigilant as possible with pupils regarding washing hands and cleanliness and hygiene around school. We will keep in touch to update you as soon as we receive further information from the government.

Kind regards

Sarah Hall
Headteacher
