7/10/19

Dear Parents/Carers

As you will be aware, we have had a major flood in school significantly damaging the Studio and carpet areas along the corridor which were ankle deep in water. The Fire Brigade came to assist and with the support of staff have worked hard today to clear up the water and salvage what we can. As you can imagine, we are devastated that this has affected our new building.

We have been working tirelessly to make sure we can re-open tomorrow. We are happy to confirm that we will open tomorrow morning.

Breakfast Club and Bagel Breakfast will run as normal. Children will be taken to the hall entrance. Lunch will be served as normal. Tuesday's menu is burger and chips and ice cream.

2JH will be upstairs in the STEM Room. Please line up in the playground where your teacher will meet you. Their class room suffered water damage.

3LS will be going to Bempton Cliffs. Please make sure your child has a waterproof warm coat and suitable footwear. It will be wet on the cliffs. Please remember your packed lunch.

**DANCERCISE WILL NOT BE RUNNING FOR THE REST OF THIS WEEK**

We will not be able to walk through school to the hall due to water damage. Please ensure your child has a suitable coat as they will be escorted around the side of the building to go to the hall for dinner.

May I take this opportunity to thank you for supporting us today. We do not take the decision to close school lightly.

K.A. Carlisle
