Dear Parents and Carers,

It is an absolute pleasure to be writing my first letter as Headteacher of Hilderthorpe. The children and staff have been incredibly welcoming and it was wonderful to be able to say good morning to so many of you on the drive today. It was clear from my first visit to Hilderthorpe that it is a special place that puts the children first in all that it does. Hilderthorpe is lucky to have such a highly-skilled and committed team who strive for the upmost success for our children and who have a caring and supportive ethos at their core.

It has been lovely to spend time with children today and to start to tell them a little bit about myself. I think Harley my horse has certainly captured the interests of one or two children at lunch time! Having a family myself, I fully understand the importance of schooling and recognise the vital nature of children attending a supportive, high quality school that enables every unique child to achieve their full potential. In assembly this morning, we spoke about 'Aiming High – Reaching Higher' and setting ourselves personal challenges for the week to come. I look forward to hearing what your children want to work to achieve.

It is my aim to build on the current success and achievements of the school and ensure that we continue to offer the very best education for all of our children. I am passionate about teaching and have high expectations, not only for myself but for all members of our school community. Having worked as a teacher, senior leader and Headteacher across Bridlington, Hull and East Riding villages, it is a pleasure to be returning back to Hilderthorpe where my career began many years ago.

I hope you will continue to support our high expectations in all areas, especially in attendance and behaviour which naturally impacts greatly on the achievements of our children. I look forward to meeting you on the school drive and at our upcoming events which are detailed in the newsletter.

Kind regards,

Sarah Hall

Headteacher
