Dear Sir/Madam

## Proposed Carriageway and Footway Improvements works – A1028, Kingsgate, Bridlington

I am writing to inform you that the East Riding of Yorkshire Council intends to carry out the final section of carriageway and highway improvement works on the A1038, Kingsgate between Bessingby Road/Hilderthorpe Road and Kingston Road. The works will commence on Monday 7<sup>th</sup> October 2019 for 18 weeks, between the hours of 09:00 and 17:00 (Monday – Friday).

The scheme will consist of reconstruction of the existing footway and carriageway up to 230mm deep with a new carriageway surfacing being applied which generates extremely low surface noise levels whilst providing high levels of grip. Also new footway edgings and channels will be installed to improve the carriageway drainage, along with vehicle access alterations.

The works will be split in four main phases in an effort to minimise disruption as far as possible:-

- Phase One – Between House No's 101 and 61 (both sides of the road)  
Dates: 7<sup>th</sup> October 2019 – 1<sup>st</sup> November 2019\*
- Phase Two – Between House No's 61 and 35 (both side of the road)  
Dates: 4<sup>th</sup> November 2019 - 10<sup>th</sup> January 2020\*
- Phase Three – Between House No's 35 and 15 (both sides of the road)  
Dates: 13<sup>th</sup> January 2020 – 7<sup>th</sup> February 2020\*
- Phase Four – Between House No's 15 and 1 (both sides of the road)  
Dates: 10<sup>th</sup> February 2020 – 28<sup>th</sup> February 2020\*

(\*Please note that the dates above are subject to change depending on weather and site conditions encountered)

During each phase of footway and kerbing works a one way system will be in operation for the full length of Kingsgate from Kingston Road to Bessingby Road for inbound traffic only with outward bound traffic using Cardigan Road and Kingston Road/Shafesbury Road during the working hours only. All the carriageway works will be carried out under 5 days of a temporary road closure with a signed diversion route via Bessingby Road and Carnaby. No works will be carried out simultaneously on more than one phase.

You may experience difficulty in accessing your driveway whilst works are taking place directly to the front of your property, but the contractor will endeavour to ensure any disruption is kept to a minimum. East Riding of Yorkshire Council would like to apologise in advance for any inconvenience the works may cause.

Paul Bellotti

Director of Environment and Neighbourhood Services
