Dear Parents/Carers

## We are all thinking of you

I just wanted to reach out and say how sorry we are to be closing our doors to the children today. As a staff team we are all deeply saddened at not being able to continue with your child's education at this time, but most of all we are saddened because we will genuinely miss them!

It's the smiles from the children that make this school. It's helping your child on a difficult day that helps us to fulfil our vocation. It's laughing with the children each day. It's drying tears from a fall and showing love and compassion. It's playing games at lunchtimes. It's celebrating each other's successes. That is what we will miss the most as we close our doors today.

Please remind your children that we love them; please remind them that we care and will be here for them as soon as we can open our doors again. Enjoy your family time and stay positive together. Remember laughter and joy has not been cancelled; nor has play and fresh air!

We are all having to do our bit as a nation in this difficult time and I would personally like to thank you for supporting me to do my bit to fight COVID-19 at this time.

As we wait for the dark clouds of this time to pass let us remember that the blue sky is always there!

Please accept our heartfelt wishes and care.

Kind regards,

Mrs S Hall and the whole Hilderthorpe Primary School Team.
