Wednesday 1st April 2020

Dear Parents/Carers

Free School Meals

The government has just announced their National Scheme for free school meals. We will be proceeding with this scheme and are asking for an email contact for all of our families. The email you provide will allow us to provide you with a weekly £15 entitlement eCode for your child. You will need this code to access www.freeschoolmeals.co.uk and choose your supermarket eGiftcard. You cannot use the eCode directly with the retailer – it must be exchanged for an eGift card. Please see the parents FAQ guide on our website at <https://www.hilderthorpeprimaryschool.co.uk>

If you have not yet responded to the text, or letter requesting an email please send your email along with your child(rens) name(s) to parentemails@hilderthorpeschool.co.uk We will be providing all future free school meal provision through the government vouchers. Please note it states in the government guidance that this is term time only.

If you have any problems obtaining an email, please contact us by emailing, or telephoning, the school office. Please do not address any queries to the parent emails address above. This email address is only used to collate addresses for the voucher scheme and queries cannot be responded to on here.

As I'm sure you will appreciate this will take a little time for us to set up. We will let you know when the work behind the scenes is complete. You should receive your first voucher in the week beginning the 20th April, when the summer term starts.

Many thanks for your continued support at this time; if you have any problems please don't hesitate to get in touch.

Kind regards,

Mrs S Hall
