Friday 22nd May 2020

Dear Parents/Carers

Updates on our Potential Opening

As many of you may have heard, the East Riding of Yorkshire Council announced on Wednesday evening that they are advising schools not to start the phased return of children (starting with EYFS) until the 8th of June at the earliest. Although, even this date cannot be confirmed at this time as it is subject to the most recent government and local authority guidance at the time.

Between now and the 8th June we will continue to work on our plans and preparations.

We can confirm that the school will be open the week commencing the 1st June as normal for all children who have continued to attend our childcare provision.

We have been busy contacting all eligible parents in nursery, reception, year 1 and year 6 to determine potential numbers and seek their views. This consultation is essential in ensuring we can establish and finalise plans for our provision. Further details of the plan will follow later today.

As I am sure you will understand this is a real challenge to prepare and takes a considerable amount of time to ensure we plan this effectively and most importantly, safely. The safety of the staff and children remains the governor's priority and they are committed to ensuring our plans for a potential return are robust.

In the meantime home learning options continue as they have and you can contact us at any time if you need our help or support.

Take care and thank you for your continued support.

Mrs S Hall

Headteacher

Hilderthorpe Primary School
